Conforming Price Changes

Effective Monday, October 22nd, Reunion Mortgage will improve our Conforming Fixed Rate base prices. These changes are designed to offset modifications to the Conforming Fixed Rate "State Adjusters", which will also change on October 22nd.

In order to properly price a Conforming Fixed Rate loan at Reunion, brokers must always use both the base price and the State Adjuster together. A faster way to price loan scenarios is by using our online *Loan Product Finder*.
