1003 Now Requested with Initial Submissions

Reunion Mortgage has added the 1003 to the short list of documents required for a broker's initial loan submission:

- Initial 1003
- Broker GFE
- Reunion's *Fee Sheet*
- *eCommunication Disclosure Consent* form

As soon as the loan is registered and uploaded, and Reunion receives these documents (including an acceptable GFE), the initial disclosures will be emailed to the borrower.

This and other changes to Reunion's new loan setup process will enable Reunion to provide better service to brokers.

The *Submission Checklist* has been updated on the [Forms](#) page of the broker website to include the 1003.

Please contact your Account Executive or branch with questions.
